Changing the way we travel

What is St Marks Cycle Storage?

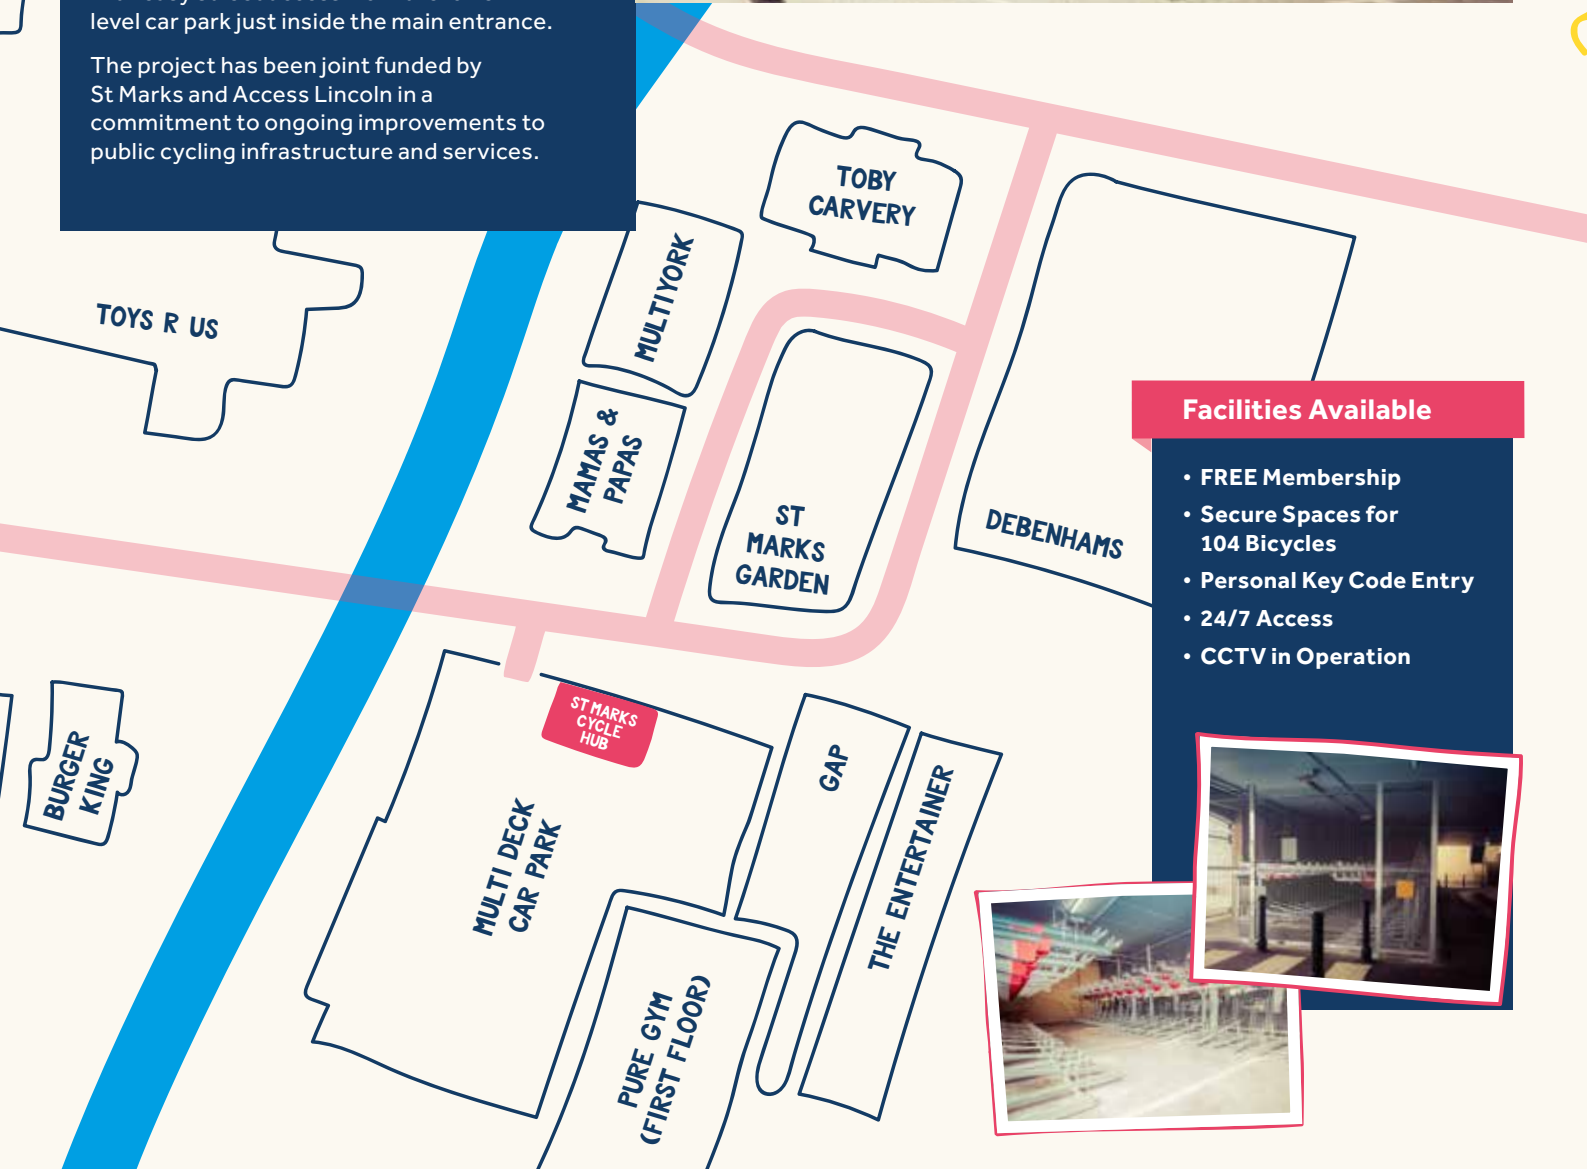

The new facility has been installed to improve cycle security and public access to St Marks shopping centre and the City Centre.

Five car parking spaces have been removed, making way for a two tier cycle storage system for up to 104 bicycles - with easy street access from the lower level car park just inside the main entrance.

The project has been joint funded by St Marks and Access Lincoln in a commitment to ongoing improvements to public cycling infrastructure and services.

Entrance is here

Facilities Available

- FREE Membership
- Secure Spaces for 104 Bicycles
- Personal Key Code Entry
- 24/7 Access
- CCTV in Operation

HOW TO USE

Providing you with a personal keycode...

FIRST, WE'LL NEED YOU TO PROVIDE SOME IDENTIFICATION

- **Photo ID**
- **Proof of address**
(e.g. utility bill)
- **Contact telephone number**
- **Email address**
(St Marks Shopping will not pass your email address on to third parties)
- **Parental consent will be required for under 16's**

THEN, TAKE IT ALONG TO THE TICKET BOOTH IN THE CAR PARK

The booth is located near Toys 'R' Us and is open from:

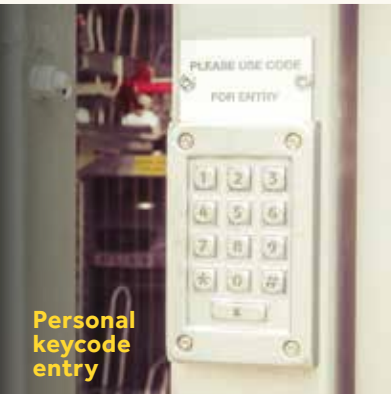

9.00am to 5.30pm Monday to Saturday
10.30am to 4.00pm Sunday

WE'LL SET YOU UP WITH A PERSONAL KEYCODE

Once you have your access code, you will be able to enter the cycle storage via the coded key pad on the lower level car park.
